Final Note by the First Member of Council.

Subject:— Amendments to Part II of the Mysore Service Regulations, Fourth Edition.

Though the Mysore Service Regulations are based on the British Indian Civil Service Regulations and are expected to substantially agree with it, many differences are found between the two. When the 4th Edition of the Mysore Service Regulations was issued in 1912, there was no time to effect a critical comparison between the two and incorporate in the Mysore Service Regulations, the alterations suggested by such a comparison. The Financial Department have now taken up this work and propose to submit for approval corrections in the several parts of the Mysore Service Regulations, suggested by a comparison between the two Regulations.

A + C

2. Draft A and C slips for amending some of the provisions in part II of the Mysore Service Regulations are accordingly submitted herewith.

Pages 27 + 33 of the office notes

3. The amendments are mainly verbal and nos. 14 and 17 relating to Articles 87 and 104 may alone be regarded as substantial ones.

4. The amendment in Article 87 aims at delegating to superior officers the power- now vested in Government- of giving an officer transferred as a penalty to a lower appointment on progressive pay, salary higher than the minimum of such appointment.

5. The amendment in Article 104 is aimed at allowing a day's joining time for a distance of 250 miles by railway instead of 200 as at present.

6. The proposed amendments were circulated× to the Members of Council and are agreed to by the Second Member and myself.

4 ~~It~~ The following ruling ~~contained~~ given under article 53, C.S.R is proposed to be introduced into the Mysore Service Regulations as rules under Art 37. "In special cases where the Head of the Department or, desires, for particular reasons connected with the public service, to confer at his own headquarters with the relieving officer before the latter enters upon his local duties he may permit the transfer to be made at his own head-quarters.

2. The condition imposed by this rule that both the relieving and the relieved officer must be present is not enforced in the case of officers who are permitted to combine vacation with long leave under Art 277 CSR, or in the case of District & Sessions — Judges who come within the provisions of Art 278. In such cases the following procedure has been laid down: —

(a) When vacation is prefixed to leave the out-going officer will report, before leaving head quarters, that he makes over charge with effect from the end of the vacation. The relieving officer will then take over charge at the end of the vacation in the ordinary way.

6. No change is required in articles 35, 36, 37, 38, 39 M.S.R. Though the second is not found in the C.S.R.

7. I do not agree to the addition to article 37 proposed above allowing an officer to take Charge at the Head Quarters of the Head of Dept., as such a course is not necessary. Our State is small & there are ample opportunities for officers of Dept. seeing each other in the course of their duties and there is no reason to introduce a rule allowing officers to take charge at Bangalore.

9. In article 40 it is for consideration if the words 'as defined in the following articles' may not be omitted as in the C.S.R article 56.

10. It is for consideration if note 1 to article 57 C.S.R. should be inserted as a note to article 41(b). M.S.R.

11. The necessity for article 42 M.S.R. is not clear — in the place it occurs. All cases which may possibly come under article 42 are I think covered by article 54 M.S.R and if this view is correct it is for consideration if article 42 M.S.R. may not be omitted.

12. Article 43 M.S.R agrees with article 60 C.S.R and requires no alteration.

13. In article 44 M.S.R the words 'except as provided in Note 2 to article 24(b)' in line 2 may be omitted. This Note has been proposed to be abolished and when this correction is made the article will agree with C.S.R article 61.

Art 68 A of the Civil Service Regulations, given below, regulates the salary of officers deputed for training and provides the limit of allowance which might be passed to a candidate not in service, who might be so deputed. These provisions or similar ones are not yet introduced into M.S.R.

"The local Govt may authorize an officer to
"undergo a course of instruction, or training; and
"may, at its discretion, decide what pay shall
"be allowed during the period of training up

The following ruling applicable to members of the Upper and Lower Subordinate Establishments of the Public works & Railway Departments, given under Art 140 C.S.R (corresponding to Art 70, M.S.R) is not provided in the M.S.R. It is proposed to introduce it to the latter.

"1. For the purpose of this rule, the members "of the Upper Subordinate Establishment in "Public works and Railway Departments "constitute one class and the members of the "Lower Subordinate Establishment constitute another. No allowance is however admissible to a Lower Subordinate "for performing the duties of an Upper "Subordinate during the absence of the "latter on privilege leave. But an allowance may be granted to a Lower Subordinate appointed in other circumstances "to perform such duties, if the Local Govt "or the Railway Board consider that the "circumstances are so exceptional as to "justify the grant to him of additional "remuneration. This rule does not affect "the title of a Lower Subordinate to additional "remuneration on receiving temporary or "Sub pro tem promotion to the rank of "Upper Subordinate.

91 Rules regulating the salaries of Officers deputed for training - not provided for in the Mysore Service Regulations but given in the Civil Service Regulations - have in a separate note been proposed to be introduced into the M.S.R.

The period of such training spent in Foreign Countries is declared eligible for pension up to a limit of 2 years.

Art 160 A of the Civil Service Regns deals with the question of the period of training counting for increments of the pay of the appointment and is not incorporated in the Mysore Service Regulations. The Article runs as follows: —

Officers under training

160 A. A local Government may at its discretion decide, in the case of an Officer who is selected to undergo a course of training in a school, College or other institution, whether the time spent in training shall count as service qualifying for increments of pay.
